

## **HotTopics in Partnership with Trellix Announces the 2024 Global CISO 100 Awards Winners**

### **FOR IMMEDIATE RELEASE:**

London – 6th May 2024 – HotTopics is excited to announce the winners of the Global CISO 100 Awards 2024, in partnership with Trellix. This annual award recognises the top 100 Chief Information Security Officers (CISOs) who have significantly contributed to the cybersecurity landscape in their respective sectors, nominated by our global C-suite community and selected by our independent judges.

### **About the Awards:**

Since its inception in 2017, the Global CISO 100 Awards have honoured CISOs who excel in their roles and lead the way in shaping the future of cybersecurity. Winners are nominated through the HotTopics global C-suite community of over 17,000 executives and are selected by an independent panel of judges. The formal announcement of this year's winners will take place during the RSA Conference in San Francisco on May 6th, 2024. Winners will also enjoy a feature on the NASDAQ Tower in Times Square to mark the occasion.

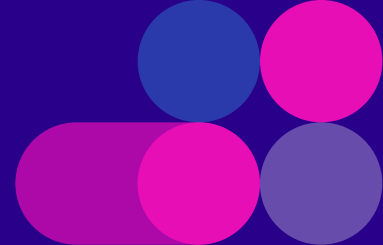

### **Global CISO 100 Judging Panel:**

This year's panel boasts a distinguished lineup of industry leaders:

- Harold Rivas, CISO, Trellix
- Latha Maripuri, CISO, Uber
- Brian Brackenborough, CISO, Channel 4
- Dane Warren, Group CISO, Intertek Group
- David Boda, CISO, Nationwide Building Society
- Dimple Santwan, CISO, Saraswat Bank
- Ingrid Briffa, Founder, C-Creature
- Jason Fruge, CISO, Risksilience LLC
- Howard Pinto, BUPA, Group CISO
- Meredith Harper, Senior Vice President, CISO, Synchrony
- Robert Rodger, CISO, Admiral Group

### **Award Ceremony and Celebrations:**

The achievements of the winners will be celebrated at the HotTopics Global Awards Ceremony, scheduled as part of The Studio event series. Celebrations will be held at The Country Music Hall of Fame in Nashville on 29th October, and a European celebration will take place at BAFTA in London on 4th December.

## Continued

### A message from Trellix:

"We are proud to support the Global CISO 100 Awards and celebrate the exceptional achievements of leaders in cybersecurity," said a spokesperson from Trellix. "Join us at the RSA Conference for a Champagne Toast at the Trellix Booth and an International CISO Dinner hosted by Harold Rivas."

### A message from Philip Randerson, CEO and Founder of HotTopics:

"I am thrilled to celebrate the 2024 Global CISO 100 Award winners. This year's winners represent the pinnacle of leadership and innovation in cybersecurity. Our partnership with Trellix enhances this recognition, underscoring the critical role of CISOs in securing our digital future. Congratulations to all our honourees."

### About HotTopics:
